Work experience

Senior Consultant – Xebia IT Architects India Pvt. Ltd.

Aug 2021 – Present

- Delivered end-to-end SaaS and web application support for 5+ global clients, maintaining 99%+ SLA adherence.
- Conducted root cause analysis (RCA) for production incidents, leveraging Azure Application Insights and JIRA Service Desk, reducing average resolution time by ~25%.
- Facilitated Agile ceremonies — sprint planning, backlog grooming, and retrospectives — aligning a 10-member cross-functional team with client product roadmaps.
- Implemented process improvements and automation in JIRA issue tracking, reducing manual ticket triage effort by ~30%.
- Served as primary escalation contact for global clients, consistently maintaining high customer satisfaction through proactive communication.
- Monitored application health using Grafana, Datadog, and Azure Application Insights; proactively identified and resolved issues before customer impact.

Sr. Associate – Fraud & Customer Operations – Amazon India Pvt. Ltd.

Oct 2018 – Aug 2021

- Managed client accounts with a strong focus on customer service excellence and regulatory compliance.
- Identified and resolved fraudulent transactions by analyzing large datasets, contributing to measurable reduction in fraud losses.
- Designed and implemented 10+ SOPs aligned with SDLC best practices, reducing process errors and improving onboarding time.
- Mentored associates in issue resolution, stakeholder management, and communication best practices.

Operations Manager / Owner – Pokket Cafe**Feb 2017 – Oct 2018**

- Directed multi-outlet operations, financial planning, and vendor negotiations; applied strategic and data-driven decision-making.
- Established service quality KPIs and reporting frameworks to monitor and improve performance across locations.

Sr. Process Executive – AML/KYC – TCS Ltd. (Client: HSBC)**Dec 2015 – Dec 2016**

- Led AML/KYC compliance and transaction monitoring for a healthcare/insurance banking portfolio.
- Supervised 18 associates, ensuring process compliance, SLA adherence, and timely case resolution.
- Monitored source and utilization of funds; ensured adherence to global operational standards and escalation procedures.

Sr. Process Executive – SaaS Support – ADP India Ltd.**Dec 2014 – Dec 2015**

- Delivered L2 customer support for payroll/HR SaaS applications via email and ticketing workflows in JIRA.
- Trained and coached new joiners on compliance policies and customer interaction best practices.

Sr. Process Executive & Team Lead – Infosys Ltd.**Feb 2013 – Dec 2014**

- Led a team of 25 associates in the U.S. mortgage processing domain; improved customer satisfaction scores by 15%.
- Managed work allocation, team escalations, and client report generation.
- Trained and coached new joiners; drove project improvement initiatives.
